

EducoSoft

Spring 2010 Release

We want to thank all the users who have taken the time to send us their suggestions for enhancements and new features. We know how precious every minute of your busy day is. That's why you'll love the innovative new features and exciting improvements we've made to Educsoft. Each is designed to save you time by making Educsoft faster and easier to use.

Educo released the following features and enhancements on March 29th, 2010:

Summary of Features - Instructors

1. Print Assessment enhancements

- Instructor can print multiple versions of a test from the print assessment screen.

- Added a print option to print without answers followed by the answer key.

2. Improved formatting of printed test

- Improved top and bottom margins
- Added separation line between columns for assessments with multiple columns.
- Printed test will show assessment version information on each printed page.

3. View test objective diagnostic for a class from Class Average by Assessment report.

Class Average by Assessment							View All Page
Num of student in the class: 27							
#	Assessment	Mode	Expires	# Took	Avg Score	IA	OA
1	Review-1(HW) signed numbers	Homework	03/18/2010 11:59 PM	26	95.00		
2	Review 2 - fractions	Homework	03/18/2010 11:59 PM	24	79.81		

4. Improvements in Discussion Forum

- View active user list for all forums under activity report.
- Select a forum from a drop-down filter.

5. Glossary improvements: Instructor can select glossary terms for a section by selecting a course level from the drop down course level filter.

6. **Mail Archive Feature:** Archive your old messages

- 7. **Edit a draft message:** Save a message into the draft folder, edit, and send the message at a later date.
- 8. **Unassign Announcement:** Remove an announcement from a student announcement screen. This is not applicable to announcements sent by e-mail.
- 9. **Support E-mail:** Copy of your support request to Educo is sent to your e-mail.
- 10. **Survey enhancement:** Take survey screen will only display active surveys.
- 11. **Add student enhancement:** While adding guest student, system will automatically populate state and country fields.

Summary of Features - Campus Coordinator

1. **CC can view item diagnostic report for a class from reports.**

<ul style="list-style-type: none"> <input type="radio"/> Instructor Activity Time <input checked="" type="radio"/> Test Item Analysis <input type="radio"/> Spring 1, 2010 18-Weeks 	<table border="1"> <thead> <tr> <th>#</th> <th>Assessments</th> <th>Expires</th> <th>Mode</th> <th>IA</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>3.1 HW: Linear Equations in Two Variables</td> <td>03/19/2010</td> <td>Homework</td> <td></td> </tr> <tr> <td>2</td> <td>3.1 Quiz FR: Linear Equations in Two Variables</td> <td>03/17/2010</td> <td>Test FR</td> <td></td> </tr> </tbody> </table>	#	Assessments	Expires	Mode	IA	1	3.1 HW: Linear Equations in Two Variables	03/19/2010	Homework		2	3.1 Quiz FR: Linear Equations in Two Variables	03/17/2010	Test FR	
#	Assessments	Expires	Mode	IA												
1	3.1 HW: Linear Equations in Two Variables	03/19/2010	Homework													
2	3.1 Quiz FR: Linear Equations in Two Variables	03/17/2010	Test FR													

2. **CC can view results of Educo survey:** View Educo survey's response of students in your institution.

- 3. **Add student enhancement:** While adding a student, system will automatically populate state and country fields.
- 4. **Edit a draft message:** Save a message into the draft folder, edit, and send the message at a later date.
- 5. **Mail Archive Feature:** Archive your old messages

- Institution Access Code changes** – Generate access codes for distribution to students from the approved access code pool. The remaining access codes can be used by CC to register students.

Summary of Features - Student

- Glossary improvements:** A student can select glossary terms for a section by selecting a course level from the drop down course level filter.

- Result page enhancement:** Improved user interface to view results and diagnostic reports.

- Student registration UI improvements:** Student will select new student or returning student option to register.

- Edit a draft message:** Save a message into the draft folder, edit and send the message at a later date.
